

DCB PRODUCTIONS

MEDIA PRODUCTION WEDDING PACKAGES

Here at DCB Productions, we encourage combining videographer and photographer packages to get the most out of your wedding day, not only from still photography, but from our cinematic style recap videos as well! Sit back, watch your film, and be transported back to those precious moments through an immersive narrative of your beautiful day that you can relive over and over again!

Level	Photography	Videography
<i>*Package options including videography will receive all unedited video clips that are filmed (upon request). Clients will receive a cinematic recap video of the wedding in a montage style edited format.</i>
